1	I sense when situations are spiritually unhealthy.	10	I am a quick and accurate judge of character.	19	I can readily sense the enemy or a demonic influence in a situation.	28	I can often tell if someone is being deceitful or dishonest before it becomes apparent to others.	37	Others have told me that my perceptions or judgments of people, situations, or statements have proved trustworthy.
2	When faced with difficulty, I tend to make wise decisions and choices.	11	I often have helpful insights into situations that have not been made clear to others.	20	I help people by offering Scriptural lessons and principles as solutions to life's various challenges.	29	I can see where a group or individual's decisions and actions will lead them, and I offer to guide them in the right direction.	38	I have had extraordinary, God-given insights into situations, even if I was not very comfortable expressing those insights.
3	The Spirit has brought to my mind information that I have been able to use to minister to others effectively.	12	God gives me special insight regarding His will to apply to particular circumstances.	21	I have received impressions that I believe came from the Holy Spirit.	30	God has led me to reveal details to a person about them that I did not know before.	39	God has supernaturally given me revelation of facts about a person in a situation.
4	Asking God for a list of big things is exciting to me.	13	I live confidently knowing that God is intimately concerned and involved with my life.	22	I know God will come through even if I don't see any possible solution to my problem.	31	I don't often worry because of my confidence in God's ability and willingness to see me through every circumstance.	40	I consistently encourage others to trust God in everything.
5	I look for opportunities to pray for the sick.	14	I believe miraculous healing is for this day and age.	23	God has used me to bring healing to those who are sick.	32	I know that God heals supernaturally, and I have seen Him do so.	41	A deep compassion for the sick often motivates me to pray for their healing.
6	I believe God will use me to enact His miracles.	15	I have a constant hunger to see God's miraculous power.	24	God has used me in ways that supersede the natural order of the physical realm.	33	I am confident that God does work miracles today because I have seen them.	42	I have sensed instances when a miraculous display of God's power would strengthen people's faith.
7	I pray in tongues daily.	16	Praying in the Spirit is encouraging and important to me.	25	I have spoken in a <u>human</u> language that I had not learned before.	34	I remain open to the supernatural influence of the Holy Spirit, and I allow the Spirit to talk using my voice.	43	I pray in tongues both in private devotion and during corporate intercessory times of prayer.
8	God has used me to openly interpret a heavenly language.	17	When I hear others praying in tongues, I often can understand the meaning behind what they are saying.	26	I find it easy to translate heavenly messages for human understanding.	35	When I hear others praying in tongues, I have a desire and an interest to know the mysteries they are praying.	44	I am drawn to worship services in which tongues are a part, and I have a sense that God speaks to believers through tongues.
9	Confronting someone with sin in their life is not hard.	18	At times, God has given me a message for an individual or group and compelled me to speak it to them.	27	The Lord has spontaneously given me information about an individual that I felt obligated to confront them with in order to restore them to God.	36	Others have recognized that often God has spoken clearly and directly to them through a message I have shared.	45	I have a deep desire to speak forth the mind and counsel of God to others.
